Fortistar Sustainable Solutions Corp. (the "Company") has determined that it is unable, without unreasonable effort or expense, to file its Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2021 (the "Second Quarterly Report") by August 16, 2021 (the "Prescribed Due Date") for the reasons described below.

On April 12, 2021, the Acting Director of the Division of Corporation Finance and Acting Chief Accountant of the Securities and Exchange Commission together issued a public statement (the "SEC Warrant Accounting Statement") on accounting and reporting considerations for warrants issued by special purpose acquisition companies ("SPACs"), which indicated that warrants with certain features commonly issued in SPAC transactions "should be classified as a liability measured at fair value, with changes in fair value each period reported in earnings." The Company previously accounted for its outstanding public warrants and private placement warrants (collectively, the "Warrants") issued in connection with its initial public offering as components of equity instead of as derivative liabilities.

Given the scope of the analysis and process required to resolve the accounting treatment of the Warrants, and the dedication of significant time and substantial resources necessary to prepare its Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2021 (the "First Quarterly Report"), the Company was delayed in filing the First Quarterly Report. As a result of the delay in filing the First Quarterly Report, the Company was unable to prepare the Second Quarterly Report in time sufficient to file it on or before the Prescribed Due Date.

The Company is working diligently to file its Second Quarterly Report.

Forward-Looking Statements

This Form 12b-25 includes "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. The Company's actual results may differ from its expectations, estimates and projections and consequently, you should not rely on these forward-looking statements as predictions of future events. Words such as "expect," "estimate," "anticipate," "intend," "plan," "may," "will," "could," "should," "believes," "continue," and similar expressions are intended to identify such forward-looking statements. These forward-looking statements include, without limitation, the completion of the Company's quarterly review procedures, many of which are outside the Company's control, the Company's expectations with respect to the timing of the filing of its Second Quarterly Report. These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially from the expected results, including those under "Risk Factors" in the Company's: (i) Registration Statement on Form S-1 filed with the SEC and declared effective on January 26, 2021 in connection with our initial public offering, (ii) First Quarterly Report filed with the SEC on July 26, 2021; and (iii) subsequent reports filed with the SEC after the date hereof. Most of these factors are outside the Company's control and are difficult to predict. The Company cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. The Company does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions or circumstances on which any such statement is based, except to the extent required by law.
